Step 4: remove the wire from the bottom of the ribbon

## Supplies Needed:

1. 2.5" width ribbon (wired)
2. Scissors
3. Measuring Tape
4. Needle and Thread
5. Straight Pins
6. Pin Backs or Hair Clips
7. Back supports - these could be stiff felt, soft plastic discs
8. Hot Glue

## Instructions:

1. Cut ribbon 15" long
2. Fold the ribbon into 3" sections (use these folds as guides for thread placement).
3. Run a gathering stitch in 'u' shape as shown above
4. If using wired ribbon, remove the bottom wire
5. Pull the thread so the ribbon begins to gather
6. Then form the gathered ribbon into a circle and sew ends together.
7. Hot glue back and pin.
8. Last, hot glue the embellishing on the front center of the flower.
